Programme: December 2026 to February 2027

Welcome to this programme of trips on the Crowthorne Community Minibus.

Our programme organiser has created a varied programme that should offer everyone something they will enjoy.

Where we need to buy tickets in advance, the trips are marked "PrePaid" and you will be liable for the ticket price even if you cancel.

Where trips are marked "Pay on entry" we show a best-guess at the price but this will depend on offers available at the time and whether you want to gift-aid your entry. If you are a member of NT or RHS, of course, entry is free to those places. No seats are allocated until the booking date closes. You can ask for more trips after the closing date, however, you might have to be added to the reserve list.

If you must go with a particular friend it reduces your chances of getting a seat. If you and your friend are happy to go independently, it's better that you both book the trip but don't specify who you want to go with. New friendships are made on the bus.

If there's a trip you particularly want to go on and you're only a reserve, feel free to call and let me know. This will give you a better chance of getting it.

And finally, a big thank you to all those who book online at our website – it makes things so much easier for me not to be entering your requests manually and checking that your details haven't changed.

Just go to https://ccminibus.org/ and try it. It's very easy to use; you can ask your friends on the bus as we now have 70% of passengers using it. If you don't want to use your own email ask a relative or friend to help.

Best Wishes

Brian

Trips & Visits	
Wed 2nd Dec	**National Trust – Polesdon Lacey at Xmas** (Again as so oversubscribed Nov) Edwardian mansion with sumptuous interiors filled with fine art and ceramics, decked out for Xmas. Renowned for hosting King George VI & Queen Mother on their 1923 honeymoon, spectacular art collections and gardens.
Fri 4th Dec	**Heron on the Ford Xmas Meal** – popular venue with CCM patrons, requires pre-selection of 2 courses (main & pud) from fixed price (£35) Xmas menu.
Thur 10th Dec	**Afternoon Tea at Riseley Village Tea Rooms** – with a festive twist!
Fri 11th Dec	**Savill Gardens Windsor –** the shop and café are worth the trip even if the gardens are less so at this time of year.
Mon 14th Dec	**RHS Wisley Glow (PrePaid tickets £16.75) –** An after-dark circular walk on a trail through the famous gardens with trees and plants illuminated for the season. This year the illuminations are inspired by mycelium networks, feature an enchanted garden and fairy village and two light shows set to music. Hot drinks and snacks are available to purchase.
Tues 15th Dec	**National Trust – Petworth -** A magnificent 17th century house inspired by the Baroque palaces of Europe and home to one of the finest art collections in the National Trust including major works by Van Dyck, Turner, Reynolds and Gainsborough. Set in a 700 acre deer park landscaped by Capability Brown. The grand state rooms decorated for Xmas in a style inspired by nature.
Wed 30th Dec	**Battersea Power Station –** a trip to "see what they've done with the place" rather than shopping as generally high-end airport style shops and leisure venues set amongst the Industrial Modernism and Art Deco architecture of the once Cathedral like turbine halls and control rooms. Plenty of café's and eateries and hopefully still decorated for the season!
Theatre & Arts	
Thur 3rd Dec	**Wellington College Dance Show: Cluedo (PrePaid tickets £5)** A dinner party, 6 guests, 6 motives, but whodunnit? The characters brought to life through dance in a range of styles, from contemporary to ballet, jazz to street….
Sat 12th Dec	**Crowthorne Symphony Orchestra – Family Christmas Concert (PrePaid tickets £10)** at St.John's Church, Crowthorne. Starts 4:30pm. Seasonal music & carols, tea & cake at interval.
Thurs 17th Dec	**Wokingham Theatre – One Man Two Guvnors by Richard Bean (PrePaid tickets £17)** A riotous reimagining of Goldoni's classic comedy, The Servant of Two Masters, transporting the action to 1960s Brighton with music, mayhem, and audience interaction. It's a fast-paced, laugh-out-loud comedy that delights in its own absurdity… and keeps you guessing right to the very end.

Congratulations to the first three months winners of our 100 Club.

The objective of the “100 Club” is to help raise funds for the replacement Minibus in around 4 years’ time.

The new Minibus is a major financial objective, which we are working hard to achieve. We will do this through generous donations, bequeaths and numerous grants that are awarded to community initiatives. This is always a challenge as we endeavour to keep the trip costs low to allow affordable travel.

Our Crowthorne Community Minibus is highly regarded within Crowthorne and used by many residents that would otherwise not be able to get out or socialise. It is also used for helping those that wish to visit the churches of Crowthorne on Sundays.

Thank you to all our Passengers and donors.
